DETAILED ACTION

1. The numbering of claims is not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When claims are canceled, the remaining claims must not be renumbered. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not).

Misnumbered claims 1-20 have been renumbered as claims 29-48. This corresponds with applicant's claim amendments of April 20, 2004 which canceled claims 1-28 and entered new claims 29-48.

Allowable Subject Matter

1. Claims 29-33, 35-41, and 43-48 are allowed.
2. The following is an examiner's statement of reasons for allowance: the method of independent claims 29, 36, and 44 define over the prior art of record because the prior art does not teach, suggest, nor render obvious shredding a block of material comprising cheese in the claimed manner.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
